

# BACK TO SCHOOL: 2023 ~ 2024

## CLASSROOM SUPPLIES

*Many of you have been asking how you can help with providing school supplies and/or what types of school supplies the children will need for the upcoming school year.*

*Each grade level has created a list of items that children will be using in their particular classroom throughout the year at each particular grade level.*

*These lists are the same ones that were sent with the students' final report card at the close of school last year.*

*Please understand and know that the school will supply items that are on this list for your child(ren). However, if you would like to purchase these items for your child, it will be greatly appreciated!*

*The items are listed below by grade level.*

*Thank you!*
